After reviewing the videos, the stewards determined that the number two horse stumbled of his own accord unseating the rider, therefore the stewards made no change to the original order of finish.

**6<sup>th</sup> Race**

Following the running of the race the stewards posted the inquiry due to an incident at the break involving the number two horse, Tony Tequila, whose rider Kevin Orozco was unseated at the start. After reviewing the videos, the stewards determined that the number two horse stumbled of his own accord unseating its rider. This action was not caused by any other horse, therefore the stewards made no change to the official order of finish.
