### RACE RULES:

During the heat races, one owner will be placed at the starting line with the dog and a second person will be placed at the finish line. The individual on the finish line may encourage the dog to run to them in any way that they wish (i.e. wave a toy, call the dog, have a treat) but cannot cross the line or move toward the dog. No excessive noisemakers (i.e. whistles, horns) are permitted. The races will be approximately 100 feet in length and will be held on the actual racetrack at Emerald Downs. Any dog not at the start line at the appointed time will be disqualified from competing in the race. The dog may also be disqualified if the dog's name is called and the dog is not in the holding area. This applies even if the dog was initially checked in on time but not present when needed for the race. Judges will determine the final finish. All decisions of the judges shall be final.
