Any dog not checked in by 2 PM may be disqualified and replaced with an alternate. Any dog not at the start line at the appointed time will be disqualified from competing in the race.

## RACE RULES:

During the heat races, one owner will be placed at the starting line with the dog and a second person (owner must bring second person) will be placed at the finish line. The individual on the finish line may encourage the dog to run to them in any way that they wish (i.e. wave a toy, call the dog, have a treat) but cannot cross the line or move toward the dog in any way. No excessive noisemakers (i.e. whistles, horns) are permitted. The Corgi Races will be approximately 150 feet in length and will be held on the actual race track at Emerald Downs. Any dog not at the start line at the appointed time will be disqualified from competing in the race. The dog may also be disqualified if the dog's name is called and the dog is not in the holding area. This applies even if the dog was initially checked in on time but not present when needed for the race. Judges will determine the final finish. All decisions of the judges shall be final.

There will be a total of up to 72 dogs plus alternates. Emerald Downs will conduct six qualifying heats and one championship heat. The first two dogs to completely cross the finish line from each qualifying heat advance to the championship heat, for a total of twelve dogs.

Emerald Downs reserves the right to change the number of participants and number of dogs in each heat and the number of races.

## PRIZES:

There will be a swag bag for all participants plus a trophy for the Corgi Champion.
