Race 2

The board of stewards were unable to show the place photo due to an equipment malfunction. Media department employee Wes Petree was asked to come look into why the photo finish camera wasn't working. Mr. Petree came up and made an adjustment and we were able to have the photo displayed after a short delay.

Race 8

Following the running of the race the stewards posted the inquiry sign due to an incident in the stretch involving second place finisher #1 Atypique, ridden by Anne Sanguinetti and third place finisher #7 L's Choice, ridden by Julien Couton. After reviewing the videos and taking testimony from the riders involved the stewards determined that contact was made at several points of the stretch run with #1 Atypique drifting out and #7 L's Choice drifting in. The stewards decision was that the contact was mutually caused by both horses therefore the stewards did not make any change to the original order of

finish. The official order of finish is as follows: 3-1-7-6-5-2-4-8. Both jockeys involved were ordered to appear to review the films of the race.
