**Race 6**

Following the running of the race, Rocco Bowen, the rider of fifth place finisher #3 Big Hat Charlie, lodged an objection against third place finisher #8 Capital Expense, ridden by Austin Solis, alleging interference going into the turn. After reviewing the videos and taking testimony from the riders involved the stewards determined that #8 Capital Expense did angle in from the outside path near the three eighths pole putting both #3 Big Hat Charlie and #4 Blame It On Royce in tight quarters, however the stewards decision was that the interference did not cost #3 Bit Hat Charlie a better finish position and #4 Blame It On Royce went on to win the race, therefore the stewards did not make any change to the original order of finish. The official order of finish is as follows: 4-6-8-5-3-2. A conference notice was issued to jockey Austin Solis to appear before the board of stewards for film review.
