**Race 7**

Immediately following the running of the race, the inquiry sign was hung to look into two incidents. The first was at the break, the second was in the lane. After reviewing the replays it was determined the while both #4 Truth To Power and #2 House Of Lords broke in and out bumping with #3 Adjudged, #3 was not away alertly and that the contact from #2 & #4 had nothing to do with the eventual easing of #3. While investigating the incident in the lane, we spoke to all riders involved and reviewed the replays. It was determined that #10 Kowboykabin came in after being asked with the right handed crop and immediately drifted in, causing contact with #9 Franks Fix It who then bumped with #8, despite the contact it was determined that neither #9 nor #8 were cost the chance at a better placing and no change was made in the original order of finish, and 5-4-10-6-9-8-2-7 was declared official. A Stewards conference notice was prepared for Cerapio Figueroa.
