Race 6

Following the running of the race the inquiry sign was hung to look into an incident the stretch drive involving eventual first and second place finishers, #2 Master Recovery and #3 Eddie And The King and their respective riders, Julien Couton and Alex Cruz. After reviewing the video replays and speaking to both riders, it was determined that #3 Eddie And The King ducked out, causing contact with #2 Master Recovery in reaction to his jockey pulling his riding crop through to left handed, and then correcting course and going back to right handed pressure. Accordingly as #2 finished ahead of #3 no change was made in the order of finish and the results were declared official. A conference notice was prepared for Mr. Cruz.
