**Race 7**

Immediately following the running of the race, the inquiry sign was hung followed by an objection from the rider of #1 Diamonds R, Cerapio Figueroa against #3 Alittlelesstalk and her rider Juan Gutierrez for interference near the five-eighths pole. After reviewing the replays and speaking to all riders involved it was determined while both #5 Dontkissntell and #3 Alittlelesstalk came in slightly when establishing position down the backside, leaving the #1 Diamonds R a lack of running room. Even though in tight quarters it was determined that #1 Diamonds R was not cost the chance at a better placing and no change was made in the original order of finish, and 7-3-5-1-2-4-6 was declared official.
