Race 3

Immediately following the running of the race the inquiry sign was hung to look into the start of #4 Alittlebitofheaven who refused, and to also review an incident down the lane. After speaking to starter Mark Gibson and reviewing the replay multiple times it was determined that the doors of #4 stall of the starting gate opened in unison with the rest of the field and had the opportunity to a fair start, which he failed to accept, accordingly he was declared to be a starter. The incident in the lane was also reviewed, and it was determined that #1 Secrets Of My Soul was in very tight, inside #6 Mika The Mistress and #5 Papa's Melody. #1 eventually forced her way through with #5 & #6 making contact to her outside. The #1 ran second and therefore no change was made to the original order of finish 3-1-6-5-7-2-(4 unplaced).

Race 7

Following the running of the race the stewards posted the inquiry sign due to an incident at the top of the stretch involving the first place finisher #5 Vicente's Shadow , ridden by Kevin Krigger, and the second place finisher #3 Bullet Drill, ridden by Kevin Orozco. Frank Lucarelli the trainer of #3 lodged an objection. After reviewing the videos and taking the testimony of the riders involved the stewards determined that down the lane #5 Vicente's Shadow who came into the lane near the middle of the racetrack came out slightly over the next three sixteenths with #3 Bullet Drill lapped on to his flank,

contact between the two was deemed to be minor and that #3 Bullet Drill came in slightly causing the last brush. Even though #3 Bullet Drill was beaten a long head, the decision of the board of stewards was that the minor contact between the two did not cost #3 Bullet Drill the opportunity of a better placing therefore the stewards did not make any change to the original order of finish. The official order of finish is as follows: 5-3-4-1-6-2.
