Race 6 Stewards' Review/ Inquiry, Objection/ Disqualification

A steward's review was initiated to look into an incident in the vicinity of the 1/16th pole involving the unofficial winner #4 Chuckanut Bay and his rider Alex Cruz, and unofficial second place finisher #1 Runnin Out Of Days and his rider Juan Gutierrez. The steward's review was quickly changed to an inquiry, followed by a rider's objection of #1 against #4 at the same location of the race. After reviewing the video replays and speaking to both riders involved, it appeared that the #1 was fighting back from the rail to regain even terms, that the #4 then came over under right-handed pressure initiating contact, and bumping the #1, twice. For this incident we determined that the #1 was cost the chance of a better placing (beaten a short head). Accordingly, the inquiry and objection signs were extinguished and the unofficial order of finish **4-1-2-6-5-3-** was amended to **1-4-2-6-5-3** and declared official.

Race 7 Stewards' Review/ No Change

A steward's review was initiated to look into an incident in the vicinity of the 3/16th pole involving the unofficial winner #6 Annette Marie, and unofficial third place finisher #3 Miss Dynamic. After reviewing the video replays it was determined that #3 was most at fault for the bump and was outran by the #6 as a result no change was made to the original order of finish, and was declared official.
