**Race 4 INQUIRY/ No Change**

Immediately following the running of the race the inquiry sign was lit to look into the break of the #8 who lost his rider and soon after denoted the #7 for an incident in the lane. After reviewing the replays it was determined that the #7 came over without proper clearance taking the path of the #4 late in the drive, however the #4 was not cost the chance of a better placing, as a result the inquiry sign was extinguished and the original order of finish was declared official.
