Race 2 Objection/No Change/#4 Not cost chance of better placing

After the running of the race a rider's objection was lodged via quick official by the rider of #4. Carlos Montalvo claimed an objection against the #1 ridden by Alex Cruz late in the stretch. The #1 did come out to the #4 horse making slight contact right at the finish line, but it was determined it did not cost the #4 a chance of a better placing. The rider of the #1 horse, Alex Cruz was issued a Stewards conference notice.

Race 4

No inquiry was hung due to a delay in getting a timely view of the video replays, regarding an incident down the back side where the #4 horse ridden by Luis Negrón was forced to steady his horse, Spanish Channel who finished second who was bothered by the #5 horse Rodeo Rose ridden by Rocco Bowen which finished last. Rocco Bowen was issued a Stewards conference notice.
