Race 3

Following the running of the race the stewards posted the inquiry sign due to an incident at the start of the race in which #1 Lolo Paniolo, ridden by Kevin Orozco, broke and had no rider. After reviewing the videos, the stewards determined that just prior to the break #1 Lolo Paniolo threw his head up and to the left as the front doors were opening, however, the starting gate of #1 Lolo Paniolo opened in unison with the rest of the field and the assistant starter released the horse properly. The horse was given the opportunity of a fair start and therefore the stewards did not make any change to the original order of finish. The official order of finish is as follows: 2-4-6-5.

Respectfully Submitted,
