Race 7 Stewards Review/No Change

Following the running of the race a stewards review was conducted to look into an incident in the vicinity of the 3/16 pole involving the unofficial second place finisher #1 Big City Bane and his rider Vladimir Jensen and the unofficial winner #2 Rocky Tough and his rider Javier Matias. After a review of the video replay it was determined the #2 came over without clearance, taking the path of and forcing #1 to check and alter course, however as stated above the #2 finished ahead of #1 and therefore no change was necessary to the original order of finish, the stewards review was extinguished and the original order of finish was declared official.
