Race 3 Stewards Review/No Change

Following the running of the race a steward's review was conducted to look into multiple incidents during the race. It was a raggedly run race with no clear culprit in the events we observed, the stewards review was extinguished, and the results declared official.

Race 7 Objection/No Change

Long after the running of the race an objection was lodged by Cliff Balcom trainer of #6 C Jaxon the unofficial fifth place finisher, against the unofficial winner #7 Stonus Maximus for interference going into the first turn. After reviewing the replays, the riders involved were not available for testimony as the objection was lodged so late. It was determined that # 6 C Jaxon was in tight quarters # 7 Stonus Maximus keep a straight course, and was clearing, while # 5 Rocked was trying to get out. The #6 settled about 1/2 of a length from where he was prior to the incident. The objection sign was extinguished and

there was no change to the original order of finish, as it was determined # 6 was not cost the chance of a better placing.
