**Race 8**

Following the running of the race the Stewards hung the inquiry sign and an objection was lodged by Kevin Orozco, the rider of the #3 Crazy About You for alleged interference late in the stretch by the #5 Camden High, and her rider Alex Anaya. After review of the videos and taking testimony from the riders, the Board of Stewards made no change the original order of finish. It was determined that there was interference but that it didn't cost any participants the chance at a better placing.

Respectfully Submitted,
