Race 6

Following the running of the race the inquiry sign was lit to look into the start of the race involving #1 Besos For Lily who unseated her rider shortly after the start. After reviewing all available angles, it was determine that at the break #1 broke out slightly bumping #2 the unofficial winner Rita Lorraine. After this initial contact, #2 continued to come in, causing #1 to alter path. However the rider of #2 Juan Gutierrez made sufficient effort in straightening his mount after the break , and as such #2 played no role in the further actions of the #1, who ended up attempting to jump the rail extension and unseated her rider Heribert Martinez. The inquiry sign was extinguished and the original order of finish was declared official.
