Race 3

Following the running of the race, Heribert Martinez, the rider of third place finisher #1 Rocket Power, lodged an objection against first place finisher #3 Irish terrier, ridden by Franklin Ceballos, alleging interference at the quarter pole. After reviewing the videos and taking testimony from the riders involved, the stewards determined that #3 Irish Terrier did drift in very slightly but there was always running room and it did not cost #1 Rocket Power the opportunity of a better placing, therefore the stewards did not make any change to the original order of finish. The official order of finish is as follows 3-5-2-1-6-4.

Race 6

Following the running of the race the stewards posted the inquiry sign due to an incident at the start of the sixth race in which #8 Pulpits Power, ridden by Heribert Martinez, reared as the field was released. After reviewing the videos the stewards determined that at the moment of the break #8 Pulpits Power false broke and reared up as the front doors were opening unseating the rider however, the starting gate of #8 Pulpits Power opened in unison with the rest of the field, the horse was given the opportunity of a fair start and therefore the stewards did not make any change to the original order of finish. The official order of finish is as follows: 1-5-4-2-3-7.
