Race 7

Following the running of the race the rider of unofficial second place finisher #1 Candy Zip, Connie Doll claimed foul against the unofficial winner # 7 All American Hero, and his rider Alex Cruz for interference in the vicinity of the 9/16ths pole. After review of the replays and speaking to the riders involved it was determined that after the break, the #7 All American Hero who broke alertly, began to move gradually from his outside position towards the rail, with #6 whom had out footed the inside three horses acceding the position. The three horses to his inside continued to jockey for position while in tight quarters, however none of the three inside jockeys seemed to appreciate the dominant speed of the #7, which put them in tight quarters. While the #7 did come over, while clearing on the inside three horses, it was determined that none of them were cost the chance of a better placing, including the #1 who claimed foul, as it always had room on the rail. The original result of 7-1-2-4-6-5 was then declared official.
