Race 7

Following the running of the race the stewards posted the inquiry sign due to an incident near the six furlong pole of the race involving #2 Johnny Five, whose rider Gary Wales was unseated. After reviewing the videos the stewards determined that #2 Johnny Five ducked in sharply nearly hitting the temporary rail and lost his action causing jockey Gary Wales to lose his balance and be unseated. This action was not caused by any other horse, therefore the stewards did not make any change to the original order of finish. The official order of finish is as follows: 8-9-3-6-7-4-5(2-unplaced).
