Race 4 Inquiry/No Change

Following after the running of the race the stewards posted the inquiry sign to look at a incident at the head of the lane involving the horses numbers #1 Gold Crusher, #2 Elliott Bay, #3 Papa's Golden Boy and #5 Makah Lane. After review of the videos and testimony from all riders involved it was determined that # 3 Papa's Golden Boy was on the lead turn for the home stretch with #1,#2, and #5 making a move to pass #3 when the rider of #3 Gary Wales used his crop left handed making his horse duck out causing a chain reaction and interference with the other three horses and #5 Makah Lane ended up clipping heels. There was no change in the order of finish because #3 Papa's Golden Boy caused all the interference and ended up running last.

Race 8 Inquiry/No Change

Following the running of the race the inquiry sign was posted to review an incident at the eighth pole in which #4 Coastal Kid ducked out sharply while going to the lead. After review of the videos it was determined that # 4 Coastal Kid ducked out sharply, possibly from the hoof prints packed down behind the starting gate, as there were 18 horses circling behind the gate from the delay.
