Race 2

The inquiry sign was posted to look at an incident at the eighth pole involving the #4 horse and the #6 horse. When the #4 horse was making a slight run on the inside she set up even though there was sufficient room and caused her own interference. No change was made to the original order of finish.

Race 7

The inquiry sign was posted to look into start of the race involving the #2 & the #7. The #2 reared at the break making the rider lose both stirrups which he regained shortly after, the #7 also stumbled unsetting his rider. Both were declared starters.
