Race 4 Trainer Objection/ No Change

Following the running of the race the objection sign was lit as the trainer of #4 claimed foul against the #5 for interference at the break. The video feed, both live and recorded cut out for about 3 seconds following the break, as such we had no clear indication as to what actually happened. Based on the views we had it appeared that the #5 broke in, and the #4 broke out making contact, in the first few strides, and then the video cuts out. When it resumed, the field were entering the main track from the chute. As we had no view of the incident, and both jockeys' testimony were not helpful, as the video was inconclusive, we made no change. The objection sign was extinguished, and the results declared official.

Respectfully Submitted,
