Race 6 Inquiry/ DQ

Following the running of the race the inquiry sign was lit denoting the third and fourth place finishers, to look into an incident in the vicinity of the 5/8ths pole. After speaking with the riders involved and reviewing the replays, it was determined that the #1 Nana's Angels and her rider Silvio Amador came out without proper clearance, fouling the #2, #3 & #4. While the #6 did come over fairly quickly she was clear, and there was always plenty of room for the #1. For this incident the #1 was disqualified from third and placed fifth behind #2, as it was cost the chance of a better placing, the #3 was promoted as a result of the foul. We did not believe the #4 was cost the chance of a better placing as she was beaten more than six lengths for fifth. The original order of finish of 6-7-1-3-2-4-5 was amended to 6-7-3-2-1-4-5 and declared official.
