Race 1 Inquiry/DQ #5

Following the running of the race the inquiry sign was lit, denoting the first two place finishers. The incident involved the unofficial winner #5 Shelby Shortstop and her rider Luis Negron and unofficial second place finisher #6 Special Diva and her rider Javier Matias for contact in the stretch, with #5 narrowly beating #6. After reviewing the replays, it was determined that #5 Shelby Shortstop be disqualified from first and placed behind #6 Special Diva, for causing contact, and failure to maintain a straight course. The inquiry sign was extinguished and the original order of finish of **5-6-1-4** was amended to **6-5-1-4** and declared official.

Race 7 Inquiry/No Change

Following the running of the race the inquiry sign was lit to look into an incident around the turn. There was a delay in getting the video play which took some time to view, due to this delay no numbers were initially lit. After reviewing the replays, it was determined that the video was inconclusive, and which most likely involved the numbers 2-4-6. While racing in tight quarters the two inside horses were trying to get out and the three-horse running together tried to get inside of the ones in front of them were there was only room for two horses. So, with the inclusive videos no changes were made.
