Race 1

Following the running of the race a Stewards review was conducted to look into an incident in the vicinity of the 3/8th pole. The review was escalated to an inquiry, followed by an objection by the jockey of #1 Abraaj Image Alex Anaya against the #4 Miley's Bluecat for the same incident. After reviewing the replays and speaking to the riders involved, it appeared that the incident came from the #1 running greenly and pressure from the outside by the #5 Barbarian, however the replays were inconclusive, as a result no change was made to the order of finish and were declared official.

Respectfully Submitted,
