There were no inquiries or objections during the running of the races, there were 2 Stewards Reviews.

Race 2

A Stewards Review was conducted to look into the trip of #2 Buckley Bay, who checked twice, in the vicinity of the 3/8th pole. It was determined that #2 was in very tight quarters on both occasions. It was the result of attempting to have 2 horses occupy a space large enough for 1 horse, while inside the #3 Baltimore Beecho, and #5 Grinder Sparksaglo, neither of which appeared to alter position with the #2 coming out on the short end of the stick, after being rushed up following a poor start, as such the incident was not escalated to an inquiry, and the rider of #2 did not lodge an objection.

Race 7

A Stewards Review was conducted to look into the start of #7 Secrets Of My Soul, who was away slowly after rearing at the start. After reviewing the replays, it was determined that #7 reared as the field was being dispatched, her doors opened in unison with the rest of the field and the Assistant Starter did not hinder the horse. As such she caused her own problem, and was considered a starter. The Review was completed and the results declared official.
