**Race 6 INQ/ OBJ No Change**

Immediately following the running of the race, the inquiry sign was hung to investigate the start of #10, followed directly by rider's objection of the #8 against the #3 for an incident in the stretch. While the #3 did come over while lugging in, causing contact, the contact did not cost #8 the chance of a better placing. And the #10 who lost his rider at the start was deemed to have caused his own problem, as such no change was made to the original order of finish, the inquiry/objection sign was extinguished and declared official.

**Race 9 INQ/ OBJ DQ**

Immediately following the running of the race, the inquiry sign was hung, to look into the stretch drive, followed by rider's objection of the #3 against the #7 for interference in the stretch. After speaking to both riders involved and reviewing the video replays it was determined that the #7 failed to maintain a straight course in the stretch, coming over, taking the path of the #3. As result of this it was determined the #3 was cost the chance of a better placing. And as a result, the #7 was disqualified from first and

placed fourth. The original order of finish 7-1-5-~~3~~-6-2-4 was amended to 1-5-~~3~~-7-6-2-4, the inquiry/objection sign was extinguished and declared official.
