Race 3 Trainer Objection / No Change

Following the running of the race an objection was lodged by the trainer of #2 against #5 for interference in the vicinity of the ¼ pole. After speaking to the riders involved and reviewing the video replays it was determined that the horse most at fault was the #6 who came out slightly closing an already tight hole between the #5 & #6. As the #2 finished ahead of the #6, no change was made to the order of finish, the objection sign was extinguished, and the results were declared official.
