

WELCOME TO THE 2021 CORGI RACES

In addition to exciting Thoroughbred Racing today we have 72 Corgis ready to compete throughout the afternoon. You can see all the Corgis before the races in the park area. At 2 PM all the Corgis and their owners will be on the track for the "Parade of the Corgis!"

After our second Thoroughbred race we will have our first three heats of Corgi Races. The top two finishers in each heat will qualify for our championship race. After our third Thoroughbred race we will have the next three heats. Again, the top two in each heat qualify for the championship.

After the fifth Thoroughbred race our 12 finalists will race for the championship trophy!

The approximate distance of each race is 150 feet. Each dog has two handlers. One is at the start line holding their dog and the other is at the finish line encouraging their dog to come to them. Toys can be used as encouragement.

Some of the Corgis will run fast, some will run slow, some will choose to play half-way through the race, some may choose to run a different path. You never know what is going to happen! The only guarantee is that it will be fun for the dogs, their owners, and of course all of you that have come to cheer them on.

Please take pictures and videos and share them on social media. Enjoy your afternoon with horses and Corgis at Emerald Downs!
