**Race 1**

Due to two late scratches the field was reduced to four runners and the show wagering was removed.

**Race 3**

Following the running of the race the trainers of the #4 & #5 claimed an objection against the #3 horse for interference in the first turn. The #6 came over going into the turn, putting the #4 & #5 in tight quarters outside the #3, who was getting out. After reviewing the video replays. It was determined that no change be made to the original order of finish. The objection sign was extinguished, and the results declared official.

**Race 7**

Following the running of the race the inquiry sign was hung to look into the stretch drive involving the 1<sup>st</sup> & 2<sup>nd</sup> place finishers. After reviewing the video replays and speaking to both riders, it was determined that any contact between the two was mutual and did not affect the outcome of the race. The objection sign was extinguished, and the original results declared official.
