**Race 4 Riders Objection/ No Change**

Immediately after the running of the race, the inquiry sign was lit followed by a rider's objection involving the first and second place finishers the #1 & #6 horses. After speaking to both riders and reviewing the video replays, it was determined that both horses were drifting out under left-handed cropping, the eventual inconsequential brush did not cost the #6 a chance of a better placing. The inquiry/ objection signs were extinguished, and original order of finish declared official.
